

Do you know the symptoms of high blood pressure?

Stress, we all feel it. But if you're experiencing frequent headaches, nose bleeds, vision changes, or fatigue — you might have high blood pressure.

Luckily, 98point6 can help you take the first step to addressing health concerns at any time, from anywhere.

Secure, text-based care from your mobile device

Get text-based primary care from wherever you are. Our care teams can help review and recommend next steps and treatments for symptoms like:

- Nose bleeds
- Vision changes
- Fatigue

Your care team of board-certified physicians can help:

- Answer any health questions—big or small
- Provide diagnosis and treatment for 600+ conditions
- Order labs and prescription refills

Feeling better is easy as 1,2,3...

1. Download the 98point6 app from the App Store or Google Play.
2. Register in 90 seconds or less.
3. Start a primary care visit—24/7.

Download from the App Store or Google Play.
