

“

What our patients have to say about 98point6:

“The app is incredibly intuitive. I was able to text a physician and receive a diagnosis while sitting at my desk at work!”

—Apple App Store Review

“We’ve always had great experiences with this service. We love that it’s available especially when we don’t feel well so we don’t have to leave our home.”

—Apple App Store Review

“...When I looked into scheduling a telemedicine visit with my typical GP, the first available appointment was a month out. I was so thankful to be able to talk to a doctor within 20 minutes using 98point6.”

—Apple App Store Review

Important benefit information inside

Your care, your way

You have 24/7 on-demand access to virtual primary care from a care team including board certified physicians.

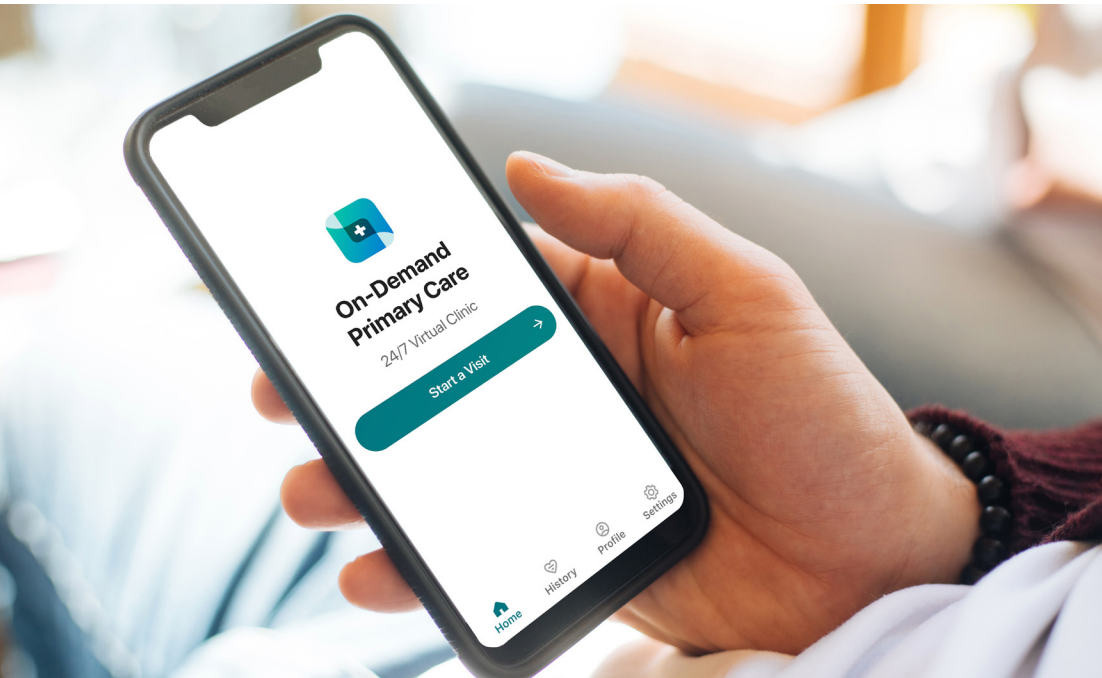

<<Logo>>

# Unlimited care. No travel. No appointments.

[eligibility\_4] have access to 98point6® virtual care as part of your employer’s benefits package at [Cost\_1].

It’s now easier than ever to take charge of your health on your schedule—while on break at work or even in the middle of the night.

A care team including board-certified physicians are available anytime from anywhere to diagnose and treat your primary care needs, all through the convenience of an app.

# 98point6 fits into your life, not the other way around.

Get medical guidance and trusted reassurance without having to press pause on your busy day.

## 98point6 physicians can address a wide variety of conditions including:

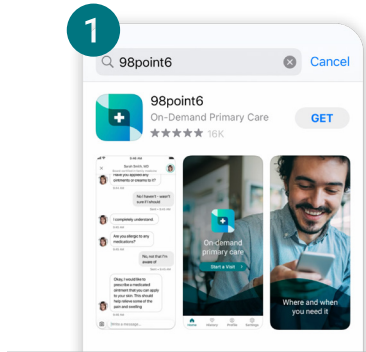

- ✓ Cough and cold
- ✓ Itchy or sore throat
- ✓ Urinary tract infections (UTIs)
- ✓ Rashes and skin-related concerns
- ✓ Seasonal allergies
- ✓ Muscle sprains and strains
- ✓ Refills of essential medications like inhalers and epinephrine
- ...and more

## A care team can also advise on questions and concerns around topics including:

- ✓ Diabetes
- ✓ Hypertension
- ✓ Sleep issues
- ✓ Lab screenings
- ✓ Diet and exercise

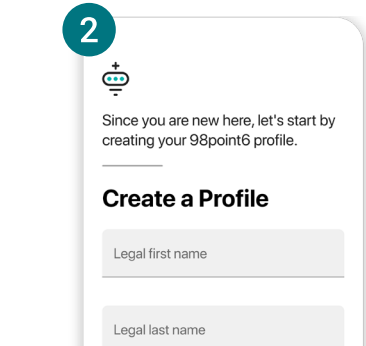

Any necessary prescriptions or labs can be ordered to a nearby pharmacy or testing facility—all through the app.
